

4 Declaration for Export

4.1 General

A customs declaration is required for all exports to non-Union countries and to a special fiscal territory of the EU and since 1 July 2009 this must be made electronically. However, in certain limited cases a declaration may be made orally or in a simplified form and these situations are described at paragraph 3.4.4 and paragraph [4.12](#).

Declarations for exported goods are processed electronically through Revenue's new electronic Automated Export System (AES).

4.2 Requirement for declaration

4.2.1 General

A customs export declaration is required for goods:

- (a) Exported to a non-Union country.
- (b) Bound for any of the territories of the EU which are part of the customs territory of the Union but are not part of the fiscal territory (see [Appendix 1](#))
- (c) Delivered tax exempt as aircraft and ship supplies, regardless of the destination of the aircraft or ship.
- (d) CAP goods bound for an entitled destination in accordance with the provisions of Article 33 of Commission Regulation (EEC) No. 612/09.

4.2.2 Making the declaration

For all of these goods, the customs declaration must be made:

- using electronic data-processing technique authorised by Revenue; or
- by means of an oral declaration or an act deemed to be a customs declaration whereby the holder of the goods expresses their wish to place them under a customs procedure, where this is provided for by the legislation.
