6.9.7 Other Community Shipping Service

This is a shipping service which is not authorised as a Regular Shipping Service. The proof of the Union Status of all Union goods carried on board must be always demonstrated as it is assumed that all goods on board are non-Union goods until the contrary is established.

6.10.1 Introduction

Goods designated as ship supplies will not leave the vessel once placed on board and are not destined for import into another country. The information required on the declaration concerning stores taken on board a vessel upon departure from the customs territory of the Union, shall be kept to the minimum necessary for the purpose of customs control.

Simplified CN codes can also be used in the export declaration.
