

- (b) in the case of a legal person or an association of persons, any person having its registered office, central headquarters or a permanent business establishment in the customs territory of the Union.

(Article 5(31) of the UCC refers)

"Permanent business establishment" means a fixed place of business, where both the necessary human and technical resources are permanently present and through which a person's customs-related operations are wholly or partly carried out.

(Article 5(32) of the UCC refers)

"Presentation of goods to customs" means the notification to Revenue of the arrival of goods at the customs office or at any other place designated or approved by Revenue and the availability of those goods for customs controls.

(Article 5(33) of the UCC refers)

"Regular shipping service" means a service which carries goods in vessels that ply only between Union ports and does not come from, go to or call at any points outside the customs territory of the Union or any points in a free zone of a Union port.

(Article 1(45) of the UCC DA refers)

"Release of goods" means the act whereby Revenue makes goods available for the purposes specified for the customs procedure under which they are placed.

(Article 5(26) of the UCC refers)

Note: For the purpose of this manual, it means release for export.

"Risk" means the likelihood and the impact of an event occurring, with regard to the entry, exit, transit, movement or end-use of goods moved between the customs territory of the Union and countries or territories outside that territory and to the presence within the customs territory of the Union of non-Union goods, which would:

- a) prevent the correct application of Union or national measures;
- b) compromise the financial interests of the Union and its Member States; or
- c) pose a threat to the security and safety of the Union and its residents, to human, animal or plant health, to the environment or to consumers.

(Article 5(7) of the UCC refers)

"Risk management" means the systematic identification of risk, including through random checks, and the implementation of all measures necessary for limiting exposure to risk.

(Article 5(25) of the UCC refers)
