

11 Prohibitions and Restrictions

11.1 General

It is important for officers to be aware that the exportation of certain goods is prohibited or restricted. Prohibited goods may not be exported, and restricted goods may be exported only under certain conditions. It should be noted that certain prohibitions and restrictions apply to all goods irrespective of their destination while in the case of others there may not be restrictions on intra-Community movements.

11.2 Categories of prohibited/restricted goods.

The following is an illustrative, but not exhaustive, list of the types of products that are prohibited or restricted on exportation:

- (a) Agricultural products
- (b) Certain food products
- (c) Drugs
- (d) Chemicals
- (e) Waste
- (f) Weapons
- (g) Dual use goods
- (h) Cultural goods
- (i) Counterfeit or pirated goods
- (j) Indecent articles, publications, video recordings
- (k) CITES (protection of certain wildlife and plants).

The full list is available on the Revenue [website](#).

11.3 Enforcement

The enforcement of the laws relating to goods, which are prohibited or restricted on exportation, is affected through normal Revenue controls and interventions.

However, the control of national export prohibitions and restrictions insofar as they relate to intra-Community movements of goods cannot be affected without having reasonable grounds for suspecting that a national law is being breached. This might include information provided by other Government Departments on whose behalf Revenue enforces the prohibitions and restrictions.

Full details are to be found in the [Customs and Excise Enforcement Procedures Manual, Part 4, Customs and Excise Offences](#).

When considering what intervention measures are appropriate in any particular case, officers should be conscious of the impact of such measures on the free movement of legitimate traffic. If clarification of any matter relating to prohibitions or restrictions is required officers should contact Prohibitions and Restrictions Unit by e-mail: rcpr@revenue.ie.
